

**Standards of Medical Examination in DMRC for Executive Posts
(Technical & Non-Technical): -**

Candidate recommended for medical examination will have to pass medical fitness test(s) conducted by the DMRC Administration to ensure that the candidates are medically fit in all respects to carry out the duties connected with the post. Visual Acuity standard is one of the important criteria of medical fitness of DMRC staff. Candidates are not eligible for any alternative appointment if they fail in the medical examination conducted by the DMRC before appointment; for any reason. The medical standard for different categories are outlined below: -

1. Executive/Technical: (Civil, Electrical, S&T, IT, Architecture, Property Development etc.) Physically fit in all respects. Visual Standards – Distant Vision: 6/9-6/9 or 6/6-6/12 with or without glasses/contact lens. Near Vision: JI-J II with or without glasses. Colour Vision, Binocular Vision, Field of Vision & Night Vision should be normal. Lasik surgery not allowed.
2. Executive/Non-Technical: (Accounts, Legal, Personnel etc.) Physically fit in all respects. Visual Standards – Distant Vision: 6/9-6/12 with or without glasses. Near Vision: JI-J II with or without glasses.

Note: - The above medical standards (criteria) are indicative and not exhaustive, and apply to candidates in general. For detailed information, refer Indian Railway Medical Manual (IRMM). **Candidates may note that for vision correction, lasik surgery or any form of racial keratomy is not permitted at all.**
